

'It's time for us all to pray for a Miracle'...

- Wirral Globe 18.3.20

Dear Lord and Father, You are a Mighty God.

We pray for the eradication of this awful corona virus, and to focus on you to keep us always calm and patient during this very unsettling, fearful time.

Give us the strength to cling on as we put our faith and trust in you, giving us the confidence and assurance that you love us and that we are in Your Hands.

Keep us well and safe we pray in Jesus' name, AMEN.
